

Alternative potential sources of funding with a successful track record of our students

Internal:

1. The Tobias Center

<https://tobiasdevelopment.indiana.edu/grant/index.html>

2. Ostrom Workshop

<https://ostromworkshop.indiana.edu/opportunities/ostrom-research-award-program/index.html>

External:

1. NSF Graduate Research Fellowship

2. Fed Internship Programs

<https://www.federalreserve.gov/careers-internships.htm>

3. Hayek Fund for Scholars

<https://theihs.org/funding-career-resources/hayekfund/#applynow>

Other:

1. Behavioral/Experimental Small Grants for grad students from Russel Sage Foundation.

<https://www.russellsage.org/how-to-apply/small-grants>

2. Development Grants:

<https://bf.uchicago.edu/the-weiss-fund/>

<https://www.theigc.org/funding/>

3. Summer fellow possibilities---both pays decently and may give access to some proprietary datasets:

<https://www.aeaweb.org/about-aea/committees/summer-fellows-program>
